

Gallatin County Burn Permit Service

-  Purchase or activate a permit
-  Add multiple burn locations to a single permit
-  Print and/or email your permit
-  View active burns within the county
-  Activate your permit online or by calling 1-877-306-BURN
-  Pay with a debit/credit card or an electronic check

The Gallatin County Burn Permit service provides citizens with instant access to county burn permits. Permit holders will be able to add multiple burn locations to a single permit and can even print their permit at home or send the permit to themselves electronically by entering an email address.

Citizens may purchase a burn permit using a debit/credit card or an electronic check (eCheck). They will also be able to activate their permit online or by calling the county's new automated phone system at **1-877-306-BURN (2876)**. An interactive map is also available to allow citizens and county personnel to view all current burn activity within the county.
