Updates	<ul style="list-style-type: none"> Patrick provided a quick rundown on the special AHAD meeting last month to prioritize homeland security grants. Two communications projects and the MCI project were selected as the top projects. The county has received some funding to update the incident support cache and will be working on this project in the spring. <ul style="list-style-type: none"> The county received \$5000 from the Montana Community Foundation It also appears that we may receive \$15,000 from the National Park Service. Mitigation Plan update is underway. Many people have participated so far and a more thorough update will be held at the April AHAD meeting. Expect to see electronic solicitation for feedback into the spring.
