Minutes Approval	<ul style="list-style-type: none"> • February 18, 2021
Presentations	<ul style="list-style-type: none"> • Arin Peters from NWS provided a spring outlook. Summary is that long range models are showing dryer and hotter than normal with a below average snow pack.
Action Items	<ul style="list-style-type: none"> • Matt Kelley provided a COVID update. Gallatin County currently has the largest caseload of active cases and the most amount of variants. There are many variables contributing to that. The County has good vaccine supply right now that exceeds current demand. Individuals who want to be vaccinated are encouraged to do so sooner than later. •
Updates	<ul style="list-style-type: none"> • Patrick let the group know that Gallatin County is investigating the formation of a wildfire mitigation program. The exact scope of that program and official approval have not been finalized. Two grant applications are currently in the process. DNRC has accepted our proposal for a Western States WUI project and the County has given notice of intent for a HMGP Post Fire application to FEMA. • The triennial airport MCI exercise is in the planning phase. The exercise will take place on May 22nd.
Next meeting	<ul style="list-style-type: none"> • June 17, 2021
