Emergency Management	<ul style="list-style-type: none"> Patrick talked about the 2010 planning project. It looks like the best option is going to be the MSU Local Government Center. Everyone seems to be on board and he has a meeting with them next week. Several new tools have been added to readygallatin.com that allow individuals to automatically be notified with something new is posted on the website. Additional information has also recently been posted including local Emergency Action Plans. Patrick told the group that according to the FY2010 Emergency Management Performance Grant it appears that Gallatin County's allocation most likely will not be decreased. The Multiple Patient Incident Plan has been completed and is in the process of being signed. It is available in redacted format on readygallatin.com Patrick also spoke about Cellular and Internet Phone users being able to subscribe themselves to the Reverse 911 System. This was previously not possible. It is up to the individual to provide accurate information and keep it current.
Citizen Corps	<ul style="list-style-type: none">
Unified Health Command	<ul style="list-style-type: none"> Betty told the group that H1N1 has slowed down. There was 1 reported case last week. There is a flu clinic coming up on 12/21 from 8:30 am to 11:00 am at the Senior Center in Bozeman. Vaccinations are also available at the Health Department. The Health Department did have 300 doses of the H1N1 Vaccination that was recalled. The only real issues was that they were weaker than they should have been, but not too weak to be effective.
Schools	<ul style="list-style-type: none">
Training & Exercise	<ul style="list-style-type: none"> Patrick and Bryan asked that if you think your agency is interested in sending anyone to a 200 or 300 level ICS class to let them know.
