Minutes Approval	<ul style="list-style-type: none"> April 15, 2010
Emergency Management	<ul style="list-style-type: none"> Patrick reported that the Emergency Management Planning process is moving forward. The next set of annexes have been schedule. This can be viewed at http://www.readygallatin.com/New_Plan.php. Patrick showed the group the new Local Emergency Alert System plan that has been developed and discussed some of the EAS changes coming up. Patrick let the group know that the same agreement with the Bozeman Interagency Dispatch that has been in effect for the past couple years is still in place for using the EOC for their expanded dispatch this summer.
Citizen Corps	<ul style="list-style-type: none">
Unified Health Command	<ul style="list-style-type: none"> Betty reported that the UHC is working on their strategic planning and will probably be focusing on mass care. The health department received a Point of Dispensing (POD) that contains equipment for mass care activities. They are working on a location to store it, but think they may have one. It is mounted on a pallet.
Schools	<ul style="list-style-type: none"> Marilyn and Betty talked about the Pertussis case that occurred this past month. It does react to medication and vaccines, but is contagious before symptoms are present, so it is hard to track down. The Bozeman School District is working with the Red Cross on Shelter Agreements. A large number of the Bozeman School District offices are moving to new locations this summer.
Training & Exercise	<ul style="list-style-type: none"> Betty reported that the Health Department will be conducting a tabletop exercise at the end of summer. Anyone that would like to participate is welcome.
Public Education	<ul style="list-style-type: none">
Volunteers Active in Disaster	<ul style="list-style-type: none"> Patrick explained that the use of VOAD as a coordinating point in the new Emergency Management Plan is vital. The Non Governmental Organizations are expected to coordinate services among themselves and provide a single representative.
Communications	<ul style="list-style-type: none"> Frank reported that Fleetmapping is underway in the county. Frank reported that this week they completed the last of the equipment move from the Law and Justice Center. Patrick reported that representatives from the county are planning a

	<p>“Best Practices” trip to other agencies on communications related topics. The goal is to learn from other people before we do it.</p> <ul style="list-style-type: none"> • Patrick reported that a Communications Workshop is being held on June 10th at 6:30 PM for agencies to attend to learn about new tools and to clean up their radio licenses. • Bruce explained that they are in the process of bringing on the failover NetMotion server with another internet connection.
