

All Hazard All Discipline Minutes

July 15, 2010

7:30 am Gallatin County Coordination Center (219 E. Tamarack)

Present	<ul style="list-style-type: none"> Patrick Lonergan, Frank Smith, Brian Gootkin, Chad Jacobson, Earl Mathers, Bruce Cunningham, Betty Kalakay, Norm Eggert, Ross Johnson
Minutes Approval	<ul style="list-style-type: none"> June 17, 2010
Emergency Management	<ul style="list-style-type: none"> Patrick gave an update on the Emergency Management Plan update. Some annexes have had good participation, others have not. Everyone is encouraged to participate. Information is available at www.readygallatin.com Patrick reported that the Middle Creek Early Warning System was scheduled to begin it's installation shortly. There was a discussion on the recent hail storm and the potential losses incurred locally.
Citizen Corps	<ul style="list-style-type: none">
Unified Health Command	<ul style="list-style-type: none"> Betty told the group that UHC is working on their strategic planning right now. She also reminded everyone that UHC is a subcommittee of AHAD.
Schools	<ul style="list-style-type: none">
Training & Exercise	<ul style="list-style-type: none"> Betty reported that the health department exercise is still on track for September 8. The group talked a little bit about the EOC exercise and ideas on what could be done. The following people said they would help with the planning: John Alston, Brian Gootkin, Ross Johnson, Betty Kalakay, Norm Eggert, Chad Jacobson Brian talked a little about the Public Information class that has been requested to be delivered by the FBI Academy on site here in Bozeman. It will most likely be a 40 hour class.
Public Education	<ul style="list-style-type: none">
Volunteers Active in Disaster	<ul style="list-style-type: none">
Communications	<ul style="list-style-type: none"> Frank reported that 911 is working through a microwave interference problem with High Flat. Steve Mollenhoff is also in town working on Fire North, but an access issue with Nixon still exists. Law North was worked on this week to eliminate the beep. The Nixon generator is still having alarms. The Trunking Implementation Project is still underway. Interoperable Montana is working on their long term sustainability. They are holding a series of meetings and presentations to try and come up with a funding plan. Bruce reported that the final switch over date from Emergin to Hiplink

	is 9/15.
