<b>Emergency Management</b>	<ul style="list-style-type: none"> <li>Patrick let everyone know the Pre Disaster Mitigation funding is available for agencies that are doing seismic retrofits to qualifying buildings. So if you are going to remodel, check with Patrick to see if there is funding available to help with the costs.</li> <li>Patrick presented a list of critical infrastructure that was provided by the state. The counties have been asked to verify the lists. After discussion, it was decided that it would be best to come back in December with a definition of Critical Infrastructure and refine the list as a group. Patrick will work on this.</li> <li>Patrick reported that a common avalanche scale has been adopted by both the United States and Canada and will be utilized this winter.</li> <li>Patrick reported that people are still working on getting the homeland security award letters for the county from the state. This has been quite a process and we're trying to get these as soon as possible.</li> <li>Patrick also let the group know that the Emergency Plan revision is still moving forward.</li> </ul>
