Minutes Approval	<ul style="list-style-type: none"> December 16, 2010
Emergency Management	<ul style="list-style-type: none"> Patrick reported that he has compiled the critical infrastructure information that people provided him. Since no one had any issues, he will send it of shortly to the state. Patrick provided a quick review of the international shakeup exercise. The Emergency Management Plan review is still underway with a big chunk on annexes due soon. A lot the remaining annexes are the simpler ones, so most likely will solicit electronic feedback unless an issue comes up, then we'll get people together. The burn permit system is online and ready to go for March 1.
Citizen Corps	<ul style="list-style-type: none">
Unified Health Command	<ul style="list-style-type: none"> Betty reported that UHC is moving forward with surge capacity planning. Betty did a test email of the Medical Volunteers in the county for the International Shakeup asking if they would have been available if it had been a real incident. She received a response from 90 people, which everyone thought was a good response.
Schools	<ul style="list-style-type: none">
Training & Exercise	<ul style="list-style-type: none"> PPL Montana is holding both a tabletop and a functional exercise on the Hebgen Dam on May 3&4 in West Yellowstone. The discussion on a continuation of the International Shakeup exercise was tabled since Jason Revisky did not make it to the meeting.
