Emergency Management	<ul style="list-style-type: none"> Patrick advised the group that he has started on setting up the mitigation plan process. This process is heavily oriented on people involvement. Patrick talked about the use of the Coordination Center by the American Red Cross for their command post for state wide operations. Patrick let everyone know that he has the final Emergency Management Plan and is in the process of doing some finishing touches. A discussion was held on the format of AHAD. The decision was made to go to an every other month format meeting on even numbered months. Each meeting will also contain a guest speaker on a given topic.
Citizen Corps	<ul style="list-style-type: none">
Unified Health Command	<ul style="list-style-type: none"> Betty wasn't able to attend, but let Patrick know that she will be updating the Strategic National Stockpile plan and will present on that in August.
Schools	<ul style="list-style-type: none">
Training & Exercise	<ul style="list-style-type: none"> Patrick let the group know that he is half way through the application for requesting a Gallatin County specific Integrated Emergency Management Course. Patrick pointed out that a Benefit Cost Analysis class is being held in Dillon in July. Anyone that thinks they may want to take advantage of mitigation funds in the future should look into this.
