Action Items	<ul style="list-style-type: none">Patrick reported that he received notification that FEMA would like some changes made to the Hazard Mitigation Plan before a final submission. He has a conference call with them next week to find out exactly what they want.Patrick gave an overview of a Training and Exercise Plan that he is working on that is now a requirement. He will be working on this and really will need feedback when it gets sent out for review. He is simply looking to identify the standard courses that Emergency Management supports.The group reviewed the Warning Annex. It was identified that MSU's notification system should be added. It was also suggested to look into the Amber Alert tools that are now available.The group also reviewed the Communications Annex. It was identified that a new wireless bridge from L&J to Courthouse needs to be added to the network diagram. It was also suggested that GETS and WPS be added.
Updates	<ul style="list-style-type: none">Patrick announced that Gallatin County will be hosting a Leadership Workshop on November 3 & 4. Information on this will be coming out in a little while.
