| Presentations | <ul style="list-style-type: none">• Scott Sanders from Bozeman Fire provided an overview of the local hazmat team. The team is more than willing to come out to any agencies to talk about what they can do, provide training, or participate in exercises. |
| Action Items | <ul style="list-style-type: none">• The 2016 Homeland Security Grant Process was outlined for those in attendance. All applications within Gallatin County need to be approved and ranked by AHAD to be considered at the state. Two projects were proposed; 911 for a microwave upgrade for about \$250,000 and the Sheriff's Office/ Emergency Management for an upgrade to 6CV's infrastructure for an unknown amount. After discussion, Sheriff Gootkin proposed that 6CV be #2. Those present concurred with Microwave as #1 and 6CV as #2 priority.• Patrick gave a quick overview that the Hazardous Materials Preparedness Grant process has changed a lot. It is now a 3 year cycle and opportunities won't appear for another 3 years. See Patrick if you have any questions.• Pre Disaster Mitigation Grants applications are also opening up soon. If you think you might be interested, let Patrick know. The allocation amount this year is 9 times higher than last year and Bozeman is hosting a BCA course this year (required for application). |
| Updates | <ul style="list-style-type: none">• The USAR proposal is moving forward in the state. I meeting was held with Idaho and a good phone conference was held with Marin County. The local near term goal is to get an agreement between Idaho Falls and Gallatin County for their USAR Team.• The Kawasaki Mule that was obtained is looking to be in great shape and is finishing up with the mechanic.• Three Exercises are coming up in the near future.<ul style="list-style-type: none">○ Madison Project Exercise○ Three Forks○ MSU |
