SUBJECT: Cooperative Equipment Agreement

The attached Cooperative Equipment Agreement is a supplemental agreement to the Cooperative Fire Control Agreement that establishes the mechanism for the Montana DNRC to pass State of Montana firefighting equipment to Gallatin County. These is typically referred to as "Co-op Engines" which Gallatin County maintains and assigns to local fire departments for use on fires.

This standard DNRC agreement is currently under revision and we will likely see a new version in the next year or so, but want to have a currently executed version of the current agreement heading into 2024.
